

OUR NEW LOCATION WILL BE NEXT DOOR TO THE NEW BOONE COUNTY NATIONAL BANK

# Fredendall's REMOVAL SALE

We will be moved into our new store by December 1. Before we move we hold a big sale to close out everything we can. To accomplish this we are willing and expect to give our customers the biggest bargains in our history. Thousands of items for less than they could be bought at wholesale in any market in America today. It will be the greatest money-saving event in the history of Columbia. Take advantage of it while you have the opportunity. This sale will begin tomorrow, Thursday November 15. Not only come yourself but bring your relatives and friends with you. You can save enough by patronizing this sale to buy a lot of Christmas presents. Remember this is no ordinary sale. It is the only one of the kind in our history. We never expect to have another like it. You can rely upon it that it will be a hummer.
